A special officer for the preparation of the Admin. Report and
for dealing with the Dussorah work is absolutely necessary as
the normal staff of the Sect. Officer Staff for Branch charge is
short by one officer. He should report himself for duty
from the 15th July next and his term may terminate by
15/1/15. As soon as this proposal is approved provisionally
by the D. Secy, the file will be circulated & brought up at
a meeting of the Council if the D. Secy is pleased to
authorize the course. The present officers are all very heavily

To appoint a special additional officer
for six months for Administration report &
Dunsmuir work would no doubt ~~also~~ make
things easy for the ordinary staff but
I am unable to agree with the view that
such a course is really necessary. In the
Comptroller or the Fin. Secy given special
help during the budget? There must be
pressure season in all sections & the staff
will have to face it. In this view the
appn. of an addl officer to relieve strain on
the ordinary staff cannot be supported.

DRAFT SUBMISSION NOTE.

7A. H.

In Government Order No.5924-72^x, dated the 3rd February 1914, the formation of the Efficiency Audit Branch in the General and Revenue Secretariat was sanctioned and provision was made for the appointment of an officer of the rank of a Deputy Commissioner on Rs.800 per mensem for the work. In my Submission Note to His Highness^x, however, I pointed out that, for the present, the work would be carried out by one of the Secretariat officers. Hence no effect has hitherto been given to the provision for a Special Efficiency Audit Officer.

7L. T page 1.

2. On 20th August 1913^x, His Highness was also pleased to sanction the formation of a separate Branch (No.VI) comprising the various sections of business dealt with by the Secretary to Government in the Departments of Agriculture, Education, Industries and Commerce &c. It has not been found possible hitherto to form this Branch owing to the paucity of clerical establishment as well as officers in the Secretariat.

several Branches in the General and Revenue Secretariat fixed at five many years ago, was maintained in the order re-organizing the Civil Service, dated 6th January 1913. But one out of these was detailed for the Efficiency Audit work, the business of the Secretariat being redistributed among the other four.

4. But experience has shown that it is not possible to efficiently cope with the growing volume of business unless the normal scale of officers ^{sanctioned} ~~allowed~~ for ordinary Branch work is allowed, by counting the appointment of the Assistant Secretary doing the Efficiency Audit work against the provision of a special officer made in the Government Order^x constituting the Efficiency Audit Branch.

5. If this is done and the long standing vacancy of a 1st grade Superintendent in the Secretariat is suitably filled up, it will be unnecessary to appoint any special officer for work connected with the Representative Assembly and the Administration Report; and Branch VI will be formed and placed under the immediate supervision of an Assistant Secretary whose main duties will appertain to the Departments of the

Secretary for Education and Agriculture.

6. In these circumstances, the Council recommends the following proposals:-

(i) The officer doing the Efficiency Audit work may be counted against the scale allowed in the Government Order constituting the Efficiency Audit Branch.

(ii) The scale of Assistant Secretaries allowed for the General and Revenue Secretariat may be completed by the appointment of Mr.M.S.Ramachandra Rao, B.A. B.L., Ag.Assistant Commissioner, Chitaldrug District, as Offg.Assistant Secretary.

(iii) Mr.Chakrapaniengar, B.A. B.L., who is the senior among the Amildars fully qualified for the post of Assistant Commissioner, may be re-called from leave and appointed to act as Assistant Commissioner, Chitaldrug District, vice Mr.Ramachandra Rao.

7. These proposals may be graciously approved by His Highness.
